Re: Support for Motion for Extension of Time; ET Docket No. 14-165 and  
GN Docket Nos. 12-268 and 14-166

Dear Ms. Dortch:

The Broadway League is the national trade association for the commercial theatre industry, representing more than 750 theatre owners, general managers and road presenters. In addition to our New York City productions, League members present Touring Broadway in more than 200 cities across North America and around the world.

We endorse the Motion for Extension of Time that Shure Incorporated submitted with respect to the above-referenced dockets. The issues under consideration are complicated, technical and have dire financial and practical consequences for the live performance industry. Accordingly, in the interest of affording all parties sufficient opportunity to research and draft comprehensive remarks, we join with Shure and respectfully request a 45-day deferral of the filing deadline.

Respectfully submitted,

Charlotte St. Martin
